GÜVENLİK TALİMATI

Bütün koruyucu giysiler, kullanmadan önce, yırtık, delik, sökük, kir gibi olumsuzluk yaratabilecek defo ve arızalara karşı kontrol edilmelidir. Defolu ve kirli ise kesinlikle giyilmemelidir.

DİKKAT!

Poşet ile oynamak tehlikelidir, boğulmaya sebep olabilir. Lütfen çocuk ve bebeklerden uzak tutunuz.

SAFETY INSTRUCTION

All protective clothing should be checked before use against defects and faults which may cause negativity such as toms, holes, rips and dirt. If it is defected and dirty, it should definitely not be worn.

ATTENTION!

Playing with a bag is dangerous and can cause suffocation. Please keep away from children and infants.
