OEKO-TEX®
CONFIDENCE IN TEXTILES
STANDARD 100
08.MO.60391 HOHENSTEIN HTTI

Tested for harmful substances
www.oeko-tex.com/standard100

for the following articles:

Underwear, nightwear, pyjama set, home wear, swimwear, T-shirt with and without embroidery made of white, reactive dyed and mélange knitted fabric produced from cotton, cotton/elastane, viscose/elastane, modal/elastane (also digital printed), cotton/modal (also reactive printed), cotton/modal/elastane (reactive printed), cotton/polyester, yarn dyed mélange knitted fabric made of viscose/polyester/elastane as well as reactive or pigment printed knitted fabric produced from cotton, cotton/elastane (also digital reactive printed), viscose/elastane, modal/elastane, white and reactive dyed woven fabric produced from cotton, white, masterbatch and acid dyed knitted fabric and lace produced from polyamide/elastane, lace produced from polyester/elastane (in colour black), white, reactive and disperse dyed knitted fabric produced from polyester (also woven), polyester/elastane, viscose/polyester, viscose/polyester/elastane, white, disperse dyed and disperse printed knitted fabric (fleece) produced from polyester, digital (disperse) printed woven fabric produced from polyester/elastane; including accessories (ribbon, heat transfer print, laces, pigment ink prints in colours grey, black and green [also on neck], metallic accessories [rivet, eyelet, ring, D-ring, badge, hook and eye, adjuster], buttons, sewing and embroidery threads, cord, interlinings, elastic tapes, cord end, aglet, plastic label, woven labels, printed labels, rivets and zippers); produced by using materials certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 08.MO.60391 is valid until 31.07.2023

Boennigheim, 27.07.2022
